

Aleph Work Study is Live

We are happy to announce that our work/study program is LIVE! This year, we are hosting our work/study slots on a website called SignUpGenius. When you visit it, you will see information about ALEPH, as well as tabs at the top of your screen. Each one of these tabs will have a date (July 1, July 2, etc.). There are different work/study opportunities on different days of the Kallah, so please ensure that you are on the correct day you wish you choose.

Next to each time slot, you will see a number in parentheses. Example: 1:00 pm - 3:00 pm (3). This means that three people can sign up for this work/study position. If there is no number listed in parentheses, that means that this position is for one person only. When a position is full, it will be noted as such and the position is no longer available.

If you would like to figure out how much time you need to participate in work/study in order to receive the discount that you are looking for, please note the hourly rate listed next to each position. Multiply this by the number of hours you are selecting, and you will see the total amount that you will receive for that position. For example, if one position you select is listed at \$12 an hour, and it is listed from 1:00 - 3:00 pm, then multiple 12 by 2 to figure out that that position would earn you \$24.

Shuk Set Jr	Hourly Wage	Shift Length	7:00am - 10:00am	Sign Up
\$12 per hour. Must be local. Will include setting up the shuk. Must be able to lift and move items around				

Please note: There are several positions that require multi-day commitments. **If you select one of these positions for one day, you will need to select the same position for the subsequent days as well.**

The multi-day positions are as follows:

- Babysitting (*Monday/Tuesday/Wednesday or Thursday/Saturday*)
- Davvenen' Assistant Morning (*Tuesday/Wednesday/Thursday/Friday/Sunday*)
